

2022 COMPANY & INDIVIDUAL MEMBERSHIP

Our Mission and Whom We Serve

The Georgia Arborist Association's (GAA) mission is to bring together tree-care professionals, tree enthusiasts and the public to advance arboriculture education and practices, as well be a voice for professional arborists who manage and care for Georgia's trees.

The Georgia Arborist Association (GAA) is comprised of arboricultural and tree-care professionals – as well as regional, national and international organizations and tree admirers – who are all interested in arboriculture. Being a member of GAA provides monthly opportunities to make connections with peers and encourage best practices in the field.

Our membership consists of arboricultural and tree-care professionals, as well as representatives of regional, national and international organizations who are all interested in trees and arboriculture.
